If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	MIS DRAFT JTE Society's GDM Atrs, Shri. KRN Commerce and MD Science college is experiencing very good smoothening results of management information system. Planning ,controlling and implementation all these objectives of MIS are well satisfied at various stages of college activities. We at our

institutes are utilizing various modules to run the routine workout in various section of college. At present we have admission module, examination module, account and finance module , library module etc. At the outset we start our academic year we utilizing admission module, software of Master Soft, Nagpur (Online) from year 201617 till this date including Accounting Software which able us to maintain unique record of all students beneficiaries at a glance. We categories admission at faculty level. It able us to get information of students as per different heads, say subject wise data, category wise, malefemale , caste wise data, paying and nonpaying , etc. it is also helpful for teaching faculty with respect to any fees due, catalogue, attendance, record of internal assessment. This software is also useful for online updating the data, as per requirement say examination forms ,CBCS subject choice and allotments . The most useful aspect of this software is that all this data is stored safe and instantly available in softcopy as well as hardcopy ,easy to print. In office administration of account and finance, we adopt Master Soft, Nagpur for Accounting of Junior/ Senior NonGrant College, software from the year 201617 till this date. This software able us to maintain all the records in the form of softcopy which includes bank passbook, cashbook, ledger, payments , vouchers, receipts etc. it is also supporting to maintain secure safe records of all audits, grants , funds from various agencies. In library we are adopting RELIBMAN 10 Version software of Master Soft, Nagpur from 201617 till this date. Library management is become a very easy and safe task to our library department from last few years. To keep the records of all books category wise like textbooks, reference books , magazines, periodicals , national international journals etc. is feasible in ecofriendly manner. A whole record of all transactions of the books is available in the library. In next future, college demands for all recent modules, for effective teaching and learning process for students supports.

CRITERION I – CURRICULAR ASPECTS

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution ensures effective curriculum delivery through a well planned and documented process. The college follows the curriculum designed by Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. At the beginning of every academic year, the college chalks out academic calendar. The head of the timetable committee head represented by the faculties of arts, commerce and science sets and gets sanction of the principal. The head of the departments conducts academic planning meeting to plan and organize the schedule of lectures, practicals and distributes syllabus among the faculty members of their departments. The faculty members are instructed by the head of the departments to complete the syllabus within stipulated time, if for any reason, a faculty fails to complete his syllabus within the stipulated time, he being asked to arrange extra classes for his subject. The department also chalks out programs for co-curricular activities. IQAC makes departmental visit semisterwise to check the quality of the academic & co-curricular activities. IQAC meetings are conducts at the beginning of the academic year & from time to time where in curricular activity are reviewed. A record of teaching plan, academic activities etc. is maintained at the departmental level in the form of academic diaries. Regular follow up of the concerned activities is taken from time &regular attendance of the students is also maintained. The teachers regularly participate in the syllabus designing workshops, some of the teachers are working as member of board of studies (BOS) and members of subcommittees at the university level. Choice Base Credit System (CBCS) pattern is introduced to provide the academic flexibility at UG and PG level as per norms and guidelines of the university. Some faculty members have contributed in the preparation of text-books as editors, authors, co-authors etc. As per the requirement new books are ordered with the concern of subject teachers and students. For implementation of curriculum, teachers have adopted teaching methods such as presentation, assignments and seminars for effective teaching. The methods are updated as per need and ICT, such technological devices are used as per need. The college receives regular updates of circulars through letters and emails from the university, regarding the changes or the modifications in the curriculum. The principal informs the concerned teachers about changes in curriculum and gives them a copy of the same. The faculties receive all sorts of support from the university and college for the effective implementation of the curriculum. Timely meetings are conducted and instructions are given for submission of assignments and conducting unit test and internal test are well planned and executed before final examination.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1. University Level Student Seminar. Goal: 1) To make the students aware of the currents issues in science and technology. 2) To groom the students for preparing on the current topics. 3) To develop the skill power of presentation of the students. 4) To develop the analytical mind of the students. 5) To prepare the students for collecting data of the relevant topics. 6) To make the student a smart learner. 7) To focus on the current celebrations like 'Mathematics Year' ,physics year, Swaccha Bharat… Implementation: .University level student seminar was started in 2002 .This activity has been continued till this year. In every academic year invitation is send all science colleges affiliated to K.B.C.North Maharashtra University, Jalgaon, to participate in the seminar. The two latest topics related to science and technology are chosen for the seminar, students prepare and present their topics before the jury and subject experts. Awards are given to the best presenter topic wise and team wise. A rolling shield is distributed to best team . Every year about thirty student from fifteen colleges actively participate in event. The response of the students increasing day by day. The problem encountered is the accommodation for increasing number of students in the event is challenging in sufficient time, as it is a one day event. It is now being planed to organized the same as two days event to provide an opportunity to the wiling participants . 2 Dr. V.G. Jawale memorial lecture series – Goal – 1. To preserve the sweet memory of the Late Principal Dr. V.G. Jawale. 2. To invite eminent personalities in academics and other fields. 3. To strengthen the relations among teachers, students and management. 4. To give insight to the teachers and students through lectures. 5. to develop work culture on the campus through the interaction of the eminent personalities. 6. To widen the horizon of students and teachers on thrust area. Implementation : Our late Principal Dr. V.G. Jawale occupied the chair of the Principal of our college in July 2002. He work hard for minting the work culture on the camp. He was keen on delivering lectures on various topic of general interest and educational purpose. He made untiring efforts as team leader to go through the process of NAAC. Not only this, he delivered lecture in various colleges of North Maharashtra University for NAAC. But such dynamic academic leader past away on 24th April 2004. The Governing body of our college resolved to commemorate the sweet memory of such

dynamic academic leader by organising a lecture serious. On the death anniversary of Late Principal Dr. V.G. Jawale with the initiation of the Governing body of the college the said lecture series has been continued till this year. Under this lecture series every year eminent personalities from the filed of Literature, Science, Management, Philosophy, Social Sciences etc. have been invited on 24th February to interact with member of Management of the college, teachers, students and people from all walks of the life. The community in this way is benefited immensely. In this lecture series the college invited eminent personality like Principle Dr. R. D. Rane, Principle Dr. Vishwasrao Patil, Principal Dr. Anil Rao, Principal Dr. S.S. Rane, Principal Dr. V.R. Patil, Dr. M.B. Shaha, Dr. Priti Agrawal, DR. Madhu Kharate, Dr. A.B. Response: Distinctiveness n 1919 Jamner Taluka Education Society Jamner was established by Rajmal Lakhichand Jain of R.L.Jewelers fame. The society , however, started college very late in 1971.Science faculty was established in 1989. The college owns a majestic building which well equipped with classrooms, laboratories, library, seminar hall, administrative office, examination section, staff room, ladies room ,,NCC, NSS, sports office. The college maintains its own website and also prints brochures with relevant salient features about working of the college and is given to the students at low cost.The management staff and parents have incorporated their supports in the process of quality improvement in teaching and learning process. The college has developed transparent mechanism for timely redressal of students grievances including sexual harassment. As a result students are groomed into multifaceted and dynamic personalities. Our focus is on developing life and soft skills and sharpen their abilities. In this year the percentage of passing is 70 with 3 rank holders 2 are gold medallists. The staff of the college raised students welfare fund to help the needy and economically backward students. Our high profile alumni represent educational, corporate and social sectors successfully. Our high profile alumni represent educational, corporate and social sectors successfully. They cooperateand guide their juniors. At present few of our alumni are serving and enhancing this institute as teaching and supporting staff. Highly qualified experienced faculty uses ICT and make teaching, participatory, interactive collaborative and experimental. The college is keen on strengthening the research and extension activities for its qualitative progress and development through Research Committee. One faculty complet PhD two faculty got best paper presentation award. 3 PhD students got their degree under the able guidance of research guides along with (rsk) research papers. The faculty has come up with 20 text and 3 reference books also. Many of our students are academically well enriched to be employed in many reputed schools and colleges as teachers. In fact some of them work in our own college in the capacity of teachers like Dr.Amar Pawar (Geography) Mr. pramod Sharma(Mathamatic) etc.(Physics), (Computer Science) The college manages to foster a spirit of belonging,friendship and warmth, among the students and the college staff which is retained beyond the boundaries of the campus even when the students have passed out. Before the era of extensive social networking through the internet the passed out students still managed to keep in touch with the faculty members of the college. This bondage of human

> relationship is so strong that past pupils of the college returned to their alma mater not only to celebrate their success but also to find succor in times of tribulations. They have willingly contributed their labour and expertise for the benefit of the college whenever the need arose. We have been able to develop a sensitive and responsible youth force who have social commitments towards the larger section of the society.
