He focused on the objective of the webinar and motivated the students to upgrade their skills by acquiring knowledge and discussing the current situation regarding entrepreneurship, and diversity aiming to create equitable positions and leadership quality among undergraduate students. There were two invited talks from Amolsing Patil, Associate Research Scientist, Lupin Ltd. Pune and our ex-alumni, on the "Use of Medicinal Chemistry in Drug Discovery Development" and a discussion about the encounters in the pharmaceutical industry after the COVID-19 pandemic. The second talk was given by Ad. Mangesh Patil, Pharma Consultant "Shodh Advantech" Aurangabad about acquiring and upgrading the skill to crack the interview and future scope of Chemical Industries. The Principal Sir Dr. S. B. Patil Sir, guided the students for their future careers and education. Organising such a webinar, the Department of Chemistry provided all beneficiaries and inclusion efforts and aimed to learn communication and technical skill by interacting with such vivid personalities. With the best coordination of all chemistry faculty members, students and non-teaching members the webinar was successful and helpful for all students.
