Very nice activities in online teaching in lockdown.

Overall quality of teaching-learning& evaluation process are exlent

It's quite interesting and it was necessary to spread awareness about Covid-19

The teachers are incredible. They tried to teach whole syllbaus and they did complete teaching it. Even though some of them were infected, they taught everything.

आम्हाला शिक्षकांनी ऑनलाईन पद्धतीने खूप चांगल्याप्रकारे शिकविले..

My opinion is in during corona epidemic situation daily routine class held in zoom meeting so my preparation is very well and best response of all professor, Thank you All teaching staff

### Practical

In Covid 19 period our teachers provide very good facilities they teach with the help of ppt & educational video. Their teaching is excellent. They give test for us to check how will we prepared for exam and they also tell us about our mistake. The process of teaching is excellent.

# Very nice

We are attending online lecture with our teachers and our teachers teaching all subjects to all students we are attended this lecture from zoom app.

It is a very new experience for we all students but it was very good and smart study type for us. We understood what my teachers teach.

Lecture start in room ,that is online lecture and practical and project work very nice teachers in physics department. Thankyou bari sir ,khadayate sir .and Thosare sir .Grond level work of project.

Teach practicaly

Online lecture

- 1) paper Hai offline hone
- 2) student la syllabus samjun dene
- 3)test ghene

Online exam

Changlaya padatine marag dashan karat .ani maulana protsahit kartat ani khup sports karta

Practically teach, project work,

- 1) need to increase interaction between student and teachers
- 2) teachers need to treat student like a human being and try to understand what kind of problem they faces because of surrounding rather than a perspective...
- 3) and try to involve student in conversation rather than troughing disionn on them isn't mean they are not much edged they don't have issue..

Our teachers always give the best for all of us.. Overall teaching and learning process in our clg is always good....our teachers always solve our difficulties.. They prepared best for our teaching also..

- 1) used better graphics nd usual media to engage students well.
- 2) try to rich every student nd ask for their doubt.
- 3) make teaching a two way interraction.

Just focus on there self study not assignment or etc written things

Teaching staff not available

Regular collage

- 1) Most need teachers in department of chemistry
- 2) chemical available in department of chemistry
